

INTERNATIONAL CONGRESS OF ANATOMIA CLINICA

11TH INTERNATIONAL SYMPOSIA OF
CLINICAL AND APPLIED ANATOMY (ISCAA)

15TH EUROPEAN ASSOCIATION OF
CLINICAL ANATOMY (EACA)

24th to 26th JUNE
MADRID
2019

Time	MONDAY, 24 TH JUNE 2019
08:00-09:00	Registration
09:00-10:00	Opening Ceremony
10:00-10:30	Opening Conference "Interfacing the peripheral nervous system with advanced prostheses. Anatomical and physiological contributions" Prof. Xavier Navarro. Barcelona, Spain
10:30-11:15	Coffee, Posters & Exhibitors
11:15-13:00	Free oral communications
13:00-14:00	Lunch, Posters & Exhibitors
14:00-15:30	Free Oral Communications
15:30-16:15	Coffee, Posters & Exhibitors
16:15-17:30	Clinical Anatomy
	Recent Works of Pelvic Floor Anatomy: Spatial Distributions of Skeletal and Smooth Muscular Tissues Keiichi Akita. Tokyo, Japan
	Morphological Analysis of Bronchial Arteries and Variants with Computed Tomography Angiography Rodrigo Elizondo Omaña. Monterey, Mexico
	Segmentation of the kidney Raffaele de Caro. Padova, Italy

Time	TUESDAY, 25 TH JUNE 2019
09:00-10:15	Imaging
	Anatomy and imaging: history, techniques, and clinical applications. Bruno Grignon. Nancy, France
	The More You Know, the More You See: the Ultimate Sono-Anatomy Bernhard Moriggl. Innsbruck, Austria
	Imaging in research on clinical anatomy. Macchi V. Padova, Italy
10:15-11:00	Coffee, Posters & Exhibitors
11:00-13:00	Free oral communications
13:00-14:00	Lunch, Posters & Exhibitors
14:00-15:30	Free Oral Communications
15:30-16:15	Coffee, Posters & Exhibitors
16:15-17:30	Dissecting Room
	Human Gross Anatomy Laboratory in the 21st Century Ernie Talarico. Illinois, USA
	Brachial plexus and its topography to fasciae: different interpretations by anatomists and anaesthetists! Georg Feigl. Graz, Austria
	Production of Prosections for teaching, book illustrations, clinical research etc. Bari Logan. Cambridge, U.K.
20:30	Gala Dinner

Time	WEDNESDAY, 26 TH JUNE 2019
09:00- 10:15	Anatomical Variations
	The Importance of Cataloging and Disseminating Anatomical Human Variation in the Modern Age Shane Tubbs. Seattle, USA
	David Kachlick. Prague, Czeck Republic
	Translational Research in Surgical Anatomy Marios Loukas. Grenada, Grenada
10:15-11:00	Coffee, Posters & Exhibitors
11:00-13:00	Free oral communications
13:00-14:00	Lunch, Posters & Exhibitors
14:00-15:30	Free Oral Communications
15:30-16:15	Coffee, Posters & Exhibitors
16:15- 17:30	Publishing in Anatomy
	Friedrich Paulsen. Editor-in-Chief of Annals of Anatomy
	Fabrice Duparc. Editor-in-Chief of Surgical Radiological Anatomy
	Shane Tubbs. Editor-in-Chief of Clinical Anatomy
