

SHORT BIO update

Univ.-Prof. **Bernhard MORIGGL**, MD, FIACA

He started his University career in 1986 and has done **Ultrasonography (US)** ever since. He serves as **Mentor** and *senior author* for many of his *US-scholars*. Prof. Moriggl's **Clinical Training** led to **Engagement in RA and Pain**. In 2008 he became **Founding Father** of the **SIG US in Pain Medicine** (ASRA). Prof. Moriggl is *Contributor* of the **Practical Guide RA**, the *pocket-book* **RA: Principals and Practical Implementation**, both editions of the **Atlas of Ultrasound-Guided Procedures in Interventional Pain Management** (Spine and GON-chapter) and *Co-editor* of the *iBook* **Anatomy and Sono-anatomy of US-guided Pain interventions**. End of **July 2018**, the booklet **"Solid Nerve Sonography"** will be *released* (*Editor*). **Over 80 original papers** were authored by him. Prof. Moriggl has plenty of **international cooperation, eg.** with the **Denmark-people** around Jens Børglum and Thomas Fichtner Bendtsen. He acted in **co-development, support** and as *inaugural examiner* (*CIPS*) of the **WAPMU** (and was first Chair of Scientific Committee)
